Respected Sir/Madam,

My brother and I are indebted to your organization for embracing and rescuing Anup Mathur.

We have been blessed by God to grow and live in privileged circumstances. We go through life helping others who are less fortunate without thinking much. We throw a coin to a beggar; give donations to charities that knock our doors, or distribute food at the temple, believing it's what good people do. However, we are certainly not aware or choose to be not aware of the many sufferings of others or how our small contributions really help. Sometimes we even unreasonably and preposterously engage in criticizing the good work of others.

When Anup did not return from his walk, it hit home. Our family was in despair. Each day of his absence was difficult to bear. Your kindness, caring and effort to ensure his safe return was so great and so overwhelming that it leaves us speechless. It leaves us with exceptional appreciation for work your organization does.

We can never say "thank you" enough. However, we would like all workers and volunteers know that your effort is extremely appreciated from the bottom of our hearts. Your outstanding humanitarian work saves lives and returns peace to many.

We would like to help in your noble cause with a small donation. Kindly accept two cheques in the total amount of Rs. 1,20,000.00 towards the Rehabilitation of Mentally Ill Roadside Destitute project.

Sincerely,

Pramod Mathur Jai Mathur
